'WAIVER/RELEASE/INDEMNITY'

I acknowledge that **Airborne Trampoline Club Inc.** has informed me and warned me of the dangers inherent to the sport of trampolining, and that in spite of this I have freely decided to release and forever discharge Airborne Trampoline Club Inc. and its staff from any and all claims for and damages for personal injury, death, or loss sustained by me, my son and/or daughter which might occur as a result of my participating in trampolining.

I also acknowledge that I have had the opportunity and have been advised by Airborne Trampoline Club Inc. to obtain Independent Legal Advice, but that of my own free will I have chosen not to obtain such Advice.

I also state that I am in the proper physical condition to participate in the sport of trampoline.

I _____ the parent/guardian of _____, for myself, my son and/or daughter, my heirs, executors, administrators and assigns, **agree to release, indemnify, hold harmless, and not to make any claim for damages, nor seek any damages, against** Airborne Trampoline Club Inc. and/or any person(s) working in connection with Airborne Trampoline Club Inc., including its officers, employees, agents, coaches, instructors and representatives (collectively "its staff") for any injury to the undersigned, son and/or daughter, as the case may be, arising as a result of participating in the sport of trampolining for recreational purposes or otherwise at the Airborne Trampoline Club Inc., including personal injury, death, or any loss sustained, including without limitation injury, death or loss caused by negligence on the part of Airborne Trampoline Club Inc. and its staff. Such indemnification **shall extend to pay all costs**, including legal costs, incurred by Airborne Trampoline Club Inc. and/or its staff in defending itself against any and all claims.

I also understand that 'negligence' means **my or my son and/or daughter's** failing to take careful measures that are understood to be necessary for safety in the circumstances, failing to use such care as a reasonably prudent and careful person would use under similar circumstances, or the doing of something which a person of ordinary prudence would not have done under similar circumstances.
